

UPS and Teamsters Ratify UPS Freight Contract

11-11-2018

UPS is pleased that the UPS Freight agreement with the International Brotherhood of Teamster (IBT) has been ratified.

It is an agreement that rewards our employees for their contributions to the success of the company, while enabling UPS to remain competitive. We will resume normal operations and will immediately begin accepting new volume from UPS Freight customers. Our teams began contacting customers immediately after ratification. We thank our customers for their patience and loyalty.

The UPS Small Package National Master Agreement (NMA) and UPS Freight Master Agreement have both now been ratified. Customers can remain confident UPS is ready to continue to serve its small package and UPS Freight customers throughout the holiday season and beyond.
